

Internship Certificate

We hereby confirm that Mr. Ramit Sharma, worked as an intern in the department of Applied Machine Learning between the period of 01. April 2019 to 20. June 2019 in our company.

insoro is a Cologne based tech company specialized in algorithmic investment consulting. Insoro provides unbiased B2B and B2C consulting & advisory with a special focus on Digital Asset Management and Passive Investment Solutions.

Mr. Sharma had the following tasks and workflows in the department of Machine Learning:

- Utilization of Deep Learning Models (LSTM & GRU) in capital markets time series prediction
- Creation of automatized test cases in portfolio optimization
- Identification and extraction of capital market data
- Data preprocessing and visualization

Mr. Sharma showed excellent academic expertise, which he reliably used even in difficult tasks. He always completed the tasks fully autonomous, with the utmost care and accuracy. He has always carried out the tasks assigned to him to our fullest satisfaction.

We got to know Mr. Sharma as an interested and dedicated employee, with whom the cooperation was very pleasant. The behaviour of Mr. Sharma was always impeccable.

We wish him all the best for his future professional and private life.
